ZAGREB, CROATIA**

INFORMATION NOTE FOR PARTICIPANTS

VENUE

The Ninth Session of the MedCOF will be held back to back with the Eighteenth Session of the SEECOF and the Eleventh Session of PRESANORD **at the Hotel Panorama, Zagreb, Croatia**, from 20 to 23 November 2017, hosted by the Meteorological and Hydrological Service of Croatia (DHMZ) and the World Meteorological Organization (WMO). In addition, Copernicus Climate Change Service (C3S) related event will be held during the MedCOF session devoted to interaction with users.

WORKSHOP ORGANIZATION

Registration of participants will take place at the meeting venue from 8:30 till 9:00 on 20 November 2017. The meeting will start at 09:00 on 20 September and conclude on 23 November around 17:30.

The working language will be English only, and there will be no arrangements for interpretation.

Detailed information on the working arrangements and schedule of the Workshop will be provided in the Provisional Agenda and the Programme in due course.

Computer-connected projection facilities will be available for presentations. White boards/flip charts and general office supplies will be available to facilitate discussions.

The participants are **strongly encouraged** to bring their own laptop. Internet access is available in the hotel through WI-FI. Instructions to avail the facility will be provided at the time of the meeting. Please do not forget to bring the adaptor and cable connection!

It is expected that the last available version of CPT (version 15.5.12 -see <http://iri.columbia.edu/our-expertise/climate/tools/cpt/>) should be installed on participants own laptop and national country data as well. In case of difficulties, please send a mail to jpceron.wmo@gmail.com explaining what kind of difficulty you are facing so that we can organize in the best possible way the practical session
